By issuing this certificate, BCCA acknowledges that there is a legitimate confidence that the certificate holder is capable to permanently ensure that the product(s) comply with the specified requirements.

The annex to this certificate gives the data with regard to the certified product(s). This document is authenticated by BCCA.

Following the issuing of this certificate and as long as it is maintained valid, BCCA grants the right to use the BENOR mark to the certificate holder. The proof of the delivery and the conformity of a product under the BENOR mark is given by affixing the BENOR marking together with the associated information, as stipulated in the "BENOR mark Regulations". The affixing or the use of the BENOR mark does not relieve the certificate holder of his responsibilities with regard to the delivered product.

The effective validity of the certificate **must always be verified** when using it by consulting the website www.bcca.be or via the QR-code below.

No. certificate BB-651-352-1852PD12SN8-28993-57232 | Valid from 2026-06-01

Issued on 15 July 2026.

Olivier DELBROUCK
General Manager

The BENOR mark is a conformity mark, that is the property of the Bureau for Standardisation (NBN). The BENOR certification is a voluntary system that is established on the basis of a consensus between stakeholders and is a response on the request of the user to have sufficient certainty about the aspects with regard to, ex., quality, public security, suitability for use, health and the interests of the end users.
